

Toyota Teacher Awards

Get your students involved in the 2011 Beal Bank Dallas Regional Science & Engineering Fair, and you can win, too. Here's how.

Enter your group of young Einsteins in the 2011 Beal Bank Dallas Regional Science & Engineering Fair. All public and private school students, grades 7-12, from Collin, Dallas, Ellis, Fannin, Grayson, Hunt, Kaufman, and Rockwall counties (TEA Region 10) that are winners at a school fair are eligible. Winning the money depends on how many students are entered and how well they perform. If any one of your students places first, second, third, or receives a special award, you can win a Toyota Teacher Award.

We want to thank Toyota for once again providing the support for these awards.

(If you win, you'll probably want to thank Toyota, too.)

Teacher awards are offered in these categories:

\$500 to the top teachers in the Junior Division (Grades 7-8)

\$500 to the top teachers in the Senior Division (Grades 9-12)

The \$500 is yours to spend. Take a trip, put in the bank.
It's all up to you.

The announcement of the Toyota Teacher Awards will take place at the Beal Bank Awards Luncheon in March 2011 at Southern Methodist University.
